Campus Tours and other Visit Opportunities

Daily Campus Tours

There's no better way to learn about IUPUI than through a campus visit:

We offer 11 tours each week. Tours of the IUPUI campus are typically available Monday-Friday mornings and afternoons in addition to Saturday mornings. (Some exceptions may apply.)

What does a tour include?

The campus tours last approximately 90 minutes and are led by current IUPUI students (so be sure to ask why IUPUI was the right choice for your guide!)

Tours include:

- many of IUPUI's first-class academic buildings
- the world-class sports facilities on campus
- the state of the art University Library
- a glimpse of our nationally-recognized computer technology
- the IU Medical Center campus
- IUPUI campus housing

You may register online at www.visit.iupui.edu or you may contact us at (317) 274-8482 or email: visit@iupui.edu and a staff member can help you find the time that works best for you.

Campus Day Open House:

Learn all about IUPUI in one afternoon!

IUPUI's Campus Day, sponsored by the IUPUI Enrollment Center, is a perfect time to check out the opportunities that the university has to offer. You, your friends, and your family can get all of your questions answered in one afternoon! There's something for students of all ages-whether you are in middle school, high school or interested in undergraduate and graduate opportunities.

Come tell us what your education goals are and we will help you find a match with the educational opportunities available.

Please call: (317) 274-8482, email: visit@iupui.edu or visit us on the web: www.visit.iupui.edu for more details on the dates and times of the Campus Day Open House.

JagDays:

JagDays are designed for high school students and their parents or guardians.

JagDays is about more than a third-party peek at life on campus and in the classroom, it's an interactive, personalized chance to get prepared and get a feel for a future at IUPUI. JagDays brings everything that matters to students together into one interactive, informative day. Small groups will tour campus, see housing, speak with faculty in departments of their choice and learn about admissions, financial aid, and scholarships. JagDays is where it all comes together.

For dates or registration information, please call: (317) 278-7807, email: jagdays@iupui.edu or visit us on the web: www.visit.iupui.edu for more details.

Special Notes:

As of August 14th, 2006 IUPUI will be a tobacco free campus. This movement is an effort to promote a healthier and happier student population. The use and sale of all forms of tobacco products is prohibited on university property and in university vehicles. This policy is enforced by IUPUI faculty, staff, students, and police. We appreciate your cooperation in maintaining the comfort and health of our wonderful campus and students.
