

Credit in World Languages by Placement and Course Credential

IUPUI

All students with previous knowledge of a world language taught at IUPUI are urged to take the appropriate placement test as the best means to assess their level of proficiency. The electronic test in French, German, or Spanish is free of charge and helps students place into a more advanced class depending on their results. (Placement assessment for Arabic, Chinese, Italian, Japanese, and Latin is conducted by appropriate faculty.) Students may test out of first and/or second year of course work and qualify for special credits at a reduced fee after successfully completing the IUPUI course into which they are placed. Special credits in world languages meet distribution requirements and count toward graduation. Up to a maximum of 16 special credits at the first- and second-year level may be earned after IUPUI course validation, provided that the student is not a native

speaker of the language.

For example, a student placed in S119 is eligible for 6 special credits in Spanish (S117 and S118) after successful S119 course completion.

A student placed in F203 is eligible for 10 special credits in French (F117-118-119 or F131-132) after successful F203 course completion.
