

List of areas of study for a transfer students. Please note the description of University College. Please note the paragraph about University College at the end of the list. For question 15, please write the entire area of study description in the space provided

* indicates one-year certificate

Accounting
American Sign Language- English Interpretation-Requires proficiency in ASL
Anthropology
Applied Biotechnologies associate's degree
Applied Computer Science*
Architectural Technology
Art Education
Art History
Arts & Humanities
Beverage Management*
Biology BA degree
Biology BS degree
Biology Education (teaching)
Biomedical Engineering
Biomedical Engineering Technology
Biotechnology
Business
Business Foundations*
Cancer Registry*
Case Management* (applicant must have bachelor's degree)
Ceramics pre-fine arts
Chemistry associate's degree
Chemistry BA degree
Chemistry BS degree
Chemistry Education (teaching)
Civic Leadership
Clinical Lab Science
Communication Studies
Computer & Information Technology
Computer Engineering
Computer Engineering Technology
Computer Graphics Technology
Computer Information Systems (Business)
Computer Science
Computer Technology Applications *
Construction Management*
Construction Engineering Management Technology
Criminal Justice
Cultural Heritage Tourism*
Cyto-technology
Dental Assisting*
Dental Hygiene
Dental Hygiene (have DH license and seeking BS in Public Health Dental Hygiene)
Earth Science-Secondary teaching
E-Commerce*
Economics
Electrical Engineering
Electrical Engineering Technology
Electronic Journalism
Elementary Education
English
English Education (teaching)
Environmental Science
Environmental Science & Health
Events Management*
Exercise Science
Exploratory (undecided)
Family Life Education* (applicant must have bachelor's degree)
Finance
Fitness Studies
Food Production Services*
Forensic and Investigative Science
French
French Education (teaching)

Furniture Design pre-fine arts
Geographic Information Science*
Geography
Geology BA
Geology BS
German
German Education (teaching)
Health Administration
Health Information Administration
Health Services Management
Health Tourism*
History
Human Resource Management
Human Resource Management certificate
Individualized Major Liberal Arts (BA)
Individualized Major Science (BS)
Informatics
Information Technology*
Interdisciplinary Engineering
Interior Design Technology
International Studies
Journalism BA
Journalism (certificate)
Labor Studies BS degree
Labor Studies certificate
Leadership Studies*
Lodging Management*
Management Business
Management SPEA
Marketing
Math Education (teaching)
Mathematics
Mechanical Engineering
Mechanical Engineering Technology
Media Arts & Science
Medical Coding*
Medical Imaging Technology
Motorsport Engineering Technology*
Museum Studies* Requires 60 hrs of college credit
Network Security*
Newswriting-Journalism
Nuclear Medicine Technology
Nursing
Nursing (have bachelor's degree and now seeking Nursing degree)
Nursing (have LPN license, seeking ASN)
Nursing (Registered Nurse seeking BSN)
Organizational & Leadership & Supervision
Painting pre-fine arts
Paralegal Studies*
Paramedic Science
Personal Training*
Philosophy
Photography pre-fine arts
Physical Education and Health Education/teaching
Physics
Physics Education (teaching)
Political Science
Pre-Biological and Food Processing Engineering
Pre-Dent Biology
Pre-Dent Chemistry
Pre-Fine Arts-Herron
Pre-Food Science
Pre-Food Science and Agribusiness Management
Pre-Horticulture and Landscape Management

Pre-Law Civic Leadership
Pre-Law Political Science
Pre-Med Biology
Pre-Med Chemistry
Pre-Natural Resource Science and Management

Spanish
Spanish Education (teaching)
Sport Management
Technical Communications*
Tourism/Convention/Event Management
Translation Studies* requires designated transfer credits
Travel Planning*
Undecided
Visual Communications pre-fine arts

Note to all applicants about University College: Depending on the requirements for admission to their desired area of study, students will either be considered for admission through the University College or for dual admission to University College and the school of their desired major. Regardless of the admission option offered, all students will have the benefit of the University College orientation, advising, and support services.
